

## A Message from Rita

Wow! This year has flown by. Can you believe that it is spring again? We are gearing up for the end of the year. This is one of the busiest and most exciting times of the school year. In April, Kindergarten has SAT testing the week of April 12th. Please remember to get plenty of rest and provide a great breakfast for your kindergartener. This will help them do their best. Also, please try to arrive a few minutes early as tardy students disrupt the testing. Students who arrive after testing begins may not enter the classroom. I am looking forward to seeing all the new things our kindergarteners' have learned this year.

On the 29th Kindergarteners will also be taking cap and gown pictures. Please remember

also that your child's collar and shoes will show, and for the cap to fit hair-styles must be somewhat flat.

The first week of May is Teacher Appreciation Week. It is an opportunity to show our teachers how much we love them. Each day you may send in something special for your child's teacher. The schedule is as follows:

Monday, May 3:

**"Something for her belly."** (healthy snacks, chocolate, etc.)

Tuesday, May 4:

**"Something for her desk."** (paper clips, stickers, pens, etc.)

Wednesday, May 5:

**"Something to tickle her nose."** (candles, airfresheners, perfume, etc.)

Thursday, May 6:

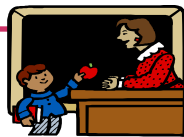

**"Something to say to her."** (Attached paper sent in with a personal note for your child's teacher. Bring to office please.)

Friday, May 7:

**"Something for her to soak in."** (bath lotions, gels, etc.)

Many special activities will be planned for our teachers that week. Thank you to all who are volunteering their time, talents and ideas. God has blessed our school with exceptional teachers, and this is our chance to show them we care.

*Please remember we are now registering students for summer camp and the next school year.*

## Teacher Spotlight... K4

Lucy Walker

Lucy Walker has been working at BCS for three years. She has a wonderful husband and two superb children, Haley and Mitchell. She and her husband coach soccer and love to garden. She is a consultant for Premier Jewelry and is an active member of her church. One of her passions is to be physically active with the students on the playground. She enjoys jump roping, hula hooping and running with the children. She has even been caught doing cartwheels! Mrs. Walker is an asset to our school and we all enjoy spending time with her.

August 30th

Jeremiah 29:11 NIV

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

## BOOK REVIEW

### *K is for Kite*

*God's Springtime Alphabet*

By: Kathy-Jo Wargin

Illustrations by: Kim Gatto

This book will help your little one discover God's world and the alphabet in one sitting. It covers the alphabet from A to Z with great "springtime" words to discover on each page. From April showers to flying kites and playing in the puddles, young children will delight in the uplifting message and will grow in their appreciation of the spring season as well as God's creations. You will also love the beautiful illustrations and the poetry that this book contains.

### Bible Verse

I Corinthians 11-24 NIV

... "This is my body, which is for you;  
do this in remembrance of me."
