Hi Carson,

Thank you for the wonderful parcel you sent me! I am very happy. My name is Joshua Otu Ozeagu. I am six years old.

I live in Ghana. Ghana is a country in Africa. I received your parcel at church in Sunday school.

My favorite food is rice and stew. Red is my colour. My best game is football. I also like computer games. I have one sister and one brother.

I like reading the bible and telling bible stories. I also sing at church.

I hope we shall become good friends and continue to write letters to one another. God bless you for your gift.
Bye.

Yours,
Joshua
