# A Message From Mrs. Terpening

Registration for the 2012-2013 school year will begin soon. We will open registration to returning students first, so please watch for Ren Web emails and information in your child's folders. Please remember that once enrollment is opened to everyone, you may not be guaranteed a spot for your child. It is important to register during the re-enrolling period. God has blessed us year after year, and I am so excited to see what He has planned for next school year.

I will be scheduling a scholarship meeting for

parents interested in a scholarship for students entering Kindergarten. Someone will send their child to school on a scholarship, why not you? Please watch folders and web site for details.

February is a very busy month. Not only will we be enrolling for next year, our VPK students are participating in "Movin' Up Day". This is a field trip on Feb. 15th to the main campus for a day of Kindergarten. Parents are welcome to attend. Please use this opportunity to check out all that Brevard Christian School has to offer our students.

We will also be having Family Skate Night at Galaxy Skateway on the evening of Feb. 15th. All preschool and Kindergarten families are welcome to come and enjoy pizza and skating. This is one of the best nights of fellowship and fun so please don't miss out! Remember we will be collecting canned goods at the skating rink to restock the BCS food bank.

Check the calendar for upcoming events for the month. Things will be moving quickly so please do not hesitate to call me if you have questions about an event or registration.

## BOOK OF THE MONTH

### Little Quack's New Friend

By Lauren Thompson

This is a story about how the adventure of play brings acceptance, friendship and love.

A frog comes to the pond to play, but will all five ducks at the pond accept this new creature? Little Quack does and his acceptance of his new friend, the frog, brings everyone at the pond together.

This tale is an excellent topic that you and your child could discuss about accepting others just as they are and forming new friendship through our differences.

## Bible Verse

*"Do not be anxious about anything, but in everything, by pray and petition, with thanksgiving, present you request to God."*
